OFFICE OF THE GENERAL MANAGER GOVERNMENT SANDALWOOD OIL FACTORY, SHIMOGA (SOUTH INDIA)

Tender Notification dated 31st December 1968.

Sealed tenders with full postal address of the tenderer are invited upto 3 00 P. M on Thursday the 6th February, 1969 for taking up contract works detailed in the schedule during the official year 1969-70. Tenders received after 3-0 P M. on that day will not be accepted. Every tenderer should quote the rates both in words and figures for each item of work and that the tenders containing correction without being fully attested by the tenderer with his full signature and date will not be accepted. For every item of work an earnest money deposit of Rs. 100 (Rupees one hundred only) per item should be separately paid and the receipt obtained from the General Manager, Government Sandalwood Oil Factory, Shimoga should be quoted in the tender. No cheques will be accepted for earnest money referred to above and no request for the adjustments of the amount that might be due by the Government to the tenderer on any other account can be entertained.

The intending tenderer should attach the current sales tax clearance certificate, Income tax clearance certificate and solvency certificate. The solvency certificate should be from an officer not below the rank of Tahsildar.

If on account of any special difficulty, the Sales tax and Income-tax Clearance Certificate are not produce along with the tender, some time not exceeding 15 days may be allowed by the management, at their own discretion, to the successful tenderer to produce the above certificates before he is entrusted with the work. If he fails to produce them before the date fixed by the management the earnest money deposits deposits or paid by the said contractors for those tenders will be forfeited to Government and his case will not be considered for the grant of contract under the tender. The solvency certificate should invariably be attached to the tender falling which the tender will be rejected. All the three certificates must be of current for the year.

The tenderer should remit the security deposit for the satisfactory execution of each item of contract work as specified below within a week from the date of acceptance of the tender and should execute the necessary agreement on a stamped paper of the value of Rs. 3·00 (Rs. three only) incorporating all the terms of the management required. If the tenderer whose rate has been accepted, fails to execute the agreement and having done so fails to take up the work, the security deposit paid by the tenderers will be forfeited to Government and the management will also be at liberty to re-tender the work and the loss incurred thereby if any, will be recovered from the tenderer as arrears of land revenue. Any profits made in re-tendering cannot be claimed by the tenderer.

The accepted tenderer should pay the employees special contribution to the "Employees State Insurance Corporation" through the General Manager, as per rules that are inforce from time to time.

The Director of Sandalwood Oil Factories, Bangalore, is at liberty to accept or reject any tender without assigning any reason and his decision is final. No complaint of the tenderer in this behalf will be considered. This contract should not be sublet. No application for enhancement of the rate once accepted will be entertained.

The quantity noted below is only approximate and is subject to variation and the management does not take the responsibility for providing the contractor with work throughout the year and the work actually depends upon the circumstances, such as introduction of machinery for splitting etc., The management reserves the right of splitting the items of contract and entrust them to various contractors according to their discretion.

The schedule of work should be executed by the contractor with his own equipment.

SCHEDULE OF WORK

1 Splitting about 10,000 tons of firewood, which is built into lots of 10 tons each of any other weighs both inside the factory and outside the factory premises into billets of about 4'x8" (girth) or 3' x 10" (girth) subject to alteration of size according to the requirements at the discretion of the management and supplying the same to the boiler along with bark etc., The firewood is built into lots of 10 tons each or any other weight on volume basis approved by the Forest Department and this weight has to be accepted as the final weight or the lots. The rates should be quoted in terms of rupees and paise per metric tonne—Security Deposit Rs. 1000 (Rupees one thousand only).

2 Splitting about 2 0 tonnes of sandalwood roots and about 600 tonnes of billets and jaj into required size as required by the management and supplying to the machine room. The rates of roots, billets and jaj is to be quoted separately in rupees and paise per metric tonnes—Security deposit of Rs. 200 for each of the three items.

3 (a) Transporting spentwood powder from the still-room to the factory yard and heaping it up there (Rate to be quoted per metric tonne (1,000 kgs.)-

Security Deposit of Rs. 200.

(b) Drying the spentwood powder in the yard and transporting the dried powder from the drying yard to the boiler house (Rate to be quoted per metric tonne (1, 000 kgs.) Security Deposit-Rs. 200.
